

Common Human Resource Information Standards

Member Discounted Meal Collection Amount

Member Discounted Meal Collection Amount is the dollar amount of an enlisted DoD Military Service member's pay account deduction for government-provided meals.

Permitted Values

NA

Structural Business Rules

A dollar amount must have at least one numeric character followed by a decimal point and two numeric characters, or when the amount is less than one, a decimal point followed by two numeric characters.

A Member Discounted Meal Collection Amount must have an associated Member Discounted Meal Collection Start Date.

A Member Discounted Meal Collection Amount must have an associated Member Discounted Meal Collection Stop Date when a discounted meal collection is not appropriate.

A DoD Military Service member must have a Member Basic Allowance for Subsistence Type of "Enlisted Basic Allowance for Subsistence" before having a Member Discounted Meal Collection Amount when the commander requires mandatory collection.
