

Common Human Resource Information Standards

Member Sea Duty Start Date

Member Sea Duty Start Date is the calendar date on which a DoD Military Service member begins an assignment at sea.

Permitted Values

NA

Structural Business Rules

A calendar date must have a day, a month, and a year including century (i.e., YYYYMMDD).

Member Sea Duty Start Date must be associated with a Member Sea Duty Stop Date, when the assignment at sea is completed.

A DoD Military Service member may have zero, one, or many Member Sea Duty Start Dates.

Member Cumulative Sea Duty Quantity must be derived by summing all periods of sea duty assignments (Member Sea Duty Start Dates and Member Sea Duty Stop Dates).

A DoD Military Service member may have zero, one, or many Member Sea Duty Stop Dates.
